“The Famiglia Cotarella 2019 Syrah Ogrà Cotarella is beautifully rich and velvety. This is a softly textured red wine, and there is a point of sweetness that comes through as black cherry and blackberry. The texture of the wine is what stands out most, giving lasting momentum on the palate. Ogrà is the soul of the estate, a bottle that represents the hearty goodness of winemaking in central Italy. It is named after a paternal grandmother in the Cotarella family.”

“Slightly more evolved with licorice and dried fruit, the Famiglia Cotarella 2018 Syrah Ogrà Cotarella also shows a hint of balsam herb and sweet oregano. This wine is drinking well right now with Amarena cherry and Mediterranean shrub. There is some sweetness on the close, but whereas the 2019 is all about texture, this edition offers a slightly more austere expression.”
