"A fruity wine with aromas of ripe plums, cherries, forest floor and dark chocolate. Medium-bodied and vibrant, it shows crunchy tannins, crisp acidity and an austere finish. Good to match with food. Drink or hold."

"Darkly floral, the 2022 Merlot Sodale opens with a daunting dark bouquet of dried violets, lavender, traces of stone dust and crushed blackberries. This splashes across the palate, silky and lifted, with ripe blueberries underscored by tactile mineral tones. The Sodale finishes perfumed and extended with a coating of fine-grained tannins and a staining of primary concentrations that resonates."

"From a cool vintage, the Famiglia Cotarella 2021 Merlot Sodale Cotarella is balanced and focused with great intensity. The wine shines with dark fruit, cherry and blackberry. The mouthfeel is elegant and streamlined but not thin. You get chalky tannins and dark fruit in this well-balanced Merlot from Lazio in central Italy."

"The 2021 Sodale, a varietal Lazio Merlot, is darkly alluring with an array of dusty violet, rose and wild blueberries. It's pleasantly sweet upon entry. Brisk acidity and tart wild berry fruits quickly add tension as hints of sour citrus and a savory herbal flourish amass toward the close. This finishes chewy and long, inviting the taster back to the glass with a bitter tinge that keeps the mouth watering."
