"A sauvignon blanc with floral aromas of tuberose, vibrant sweet pineapple, sage and balsamic. Medium-bodied with weight, a silky texture and crisp acidity. Long, refreshing finish with precise phenolics. Drink or hold."

"Bright golden yellow with dark nuances. Intense bouquet of tropical fruits with aromas of mango and passion fruit, followed by a hint of green notes. Polished on the palate, again fruit-forward with pineapple, vibrating gently and lingeringly on the tongue."

"Showing a golden hue, the Famiglia Cotarella 2022 Sauvignon Blanc Il Punto is the fourth vintage created, with just 4,000 bottles made. This wine shows a mature expression of the grape with honey and Golden Delicious apple. It is fermented in both stainless steel and large oak cask and matures in oak for three months. On second nose, you get tropical tones of mango and papaya. This is a generous wine with a slightly waxy but fragrant finish complete with mineral volcanic notes to follow."
